

Summer Bike Challenge

+ Social Distancing

What if Challenge Square destinations are closed?

The Challenge can be completed entirely outdoors, without entering buildings or facilities that may be off limits. You may need to simply **bike on by** and enjoy the ride. Please follow posted rules and maintain social distancing by riding individually or with immediate family members only.

#LoveYourParks6FeetApart

Free Stuff!

Our annual “Free Stuff!” challenge events are fan favorites, but this year, to avoid crowds, we’re awarding prizes online. Participants can send a selfie from a favorite Challenge Square to earn a one-time \$10 e-gift card per person, sent by email. See rules below.

Note: Incentives are intended for youth and adults to encourage biking, instead of driving. Children in bike trailers, attached child carriers, push bikes, and strollers will not receive gift cards but are always welcome to ride along and share the fun!

What if restrictions are lifted mid-summer?

Follow us on Twitter @511CC! Pop-up events could get scheduled... Fingers crossed!
