What: 511 Contra Costa in partnership with the U.S. Department of Labor – Women's Bureau, Region 9 will be holding a FREE workshop on how to implement a telework program at your worksite. Employers will learn how these workplace strategies can: provide tools to manage offsite employees, increase employee productivity, improve employee recruitment, retention and morale, reduce over head cost and result in a greener carbon footprint. 511 Contra Costa will also be available to work with you beyond this session to implement these valuable programs.

When: April 22, 2009
City of Pleasant Hill
100 Gregory Lane
Community Room
11:00a.m. to 1:00p.m.
Box lunch will be served

511 Contra Costa works on behalf of the cities of Contra Costa County to promote clean transportation options
