Mr. Beeps is a robotic car from the Diablo Region who teaches students to be Traffic Safety Experts while out on the road. He will help you learn how to be safe around traffic and sidewalks. Maggie is a greyhound. She is very fast and likes to help Mr. Beeps.

“Remember, Street Smarts Safety Experts always make eye contact with drivers before crossing the street.”
Help the kids find their way to the Street Smarts Safety Center safely by using the crosswalks and sidewalks. Remember 🟢 means “Don’t Walk” (it’s not safe to cross yet) and 🟠 means “Walk” (it’s safe to cross once you’ve looked both ways).
Hayden is getting ready to ride his bike, but he needs to decipher these important Street Smarts Safety tips before heading out, or he could get hurt. Can you solve the puzzle?

1. Wear a bicycle helmet.
2. Ride with the traffic flow.
